

THERE'S THE OLD ADAGE that it takes one to know one. This is especially true when it comes to picking those dentists whose work puts them above the rest. The following list is excerpted from *The Best Dentists in AmericaSM 2004-2005*, which includes listings for more than 7,600 dentists in virtually every major specialty of dentistry in all 50 states and the District of Columbia. The book is published by Woodward/White Inc. of Aiken, South Carolina.

Dentists in San Diego were asked to vote on other listed dentists in the area, as well as to nominate peers not listed. Judging criteria were not dictated by Woodward/White. Rather, participants were simply asked: "If you had to go to the dentist, to whom would you go?"
